HARBINGER...TONIGHT!

Tonight we will be showing a DVD introduction to the book, Harbinger. It was written by a Hebrew scholar, based in the events of 9/11. God gave a warning to Isaiah about how Israel should handle events like this. It is stunning, the similarity of events in Isaiah’s day and the U.S. tragedy at the World Trade Center.

You’ll see and hear how this passage of scripture seems to predict the unstable circumstances we face. Things seem to predict in great detail, pointing to decisions made then, down to trees and rocks...Come tonight and find out.
